

HEY SENIORS! WANNA KNOW WHAT CLOTHES TO BRING? THEN READ BELOW....

High School Seniors

Something Classy

(...when you look at your portraits 20 years from now!)

Solid colors--as in Solid--no stripes, plaids, bold prints

Black, white, khaki, denim, beiges, burgundy, navy, red, pink, greens, browns...any of the hot colors of the season.

- GIRLS: suits, sweaters, dresses or prom dresses, your favorite outfits, accessories.
- GUYS: shirts, sweaters, jackets, suit & tie

Something Casual

What you like to wear everyday. Casual stuff. Your own unique style. Necklaces, earrings, bracelets, hats, hoodies, winter coats, etc.

Something Different

Fun, wild. Whatever you want that is decent!

Identity Clothes

Football, basketball, baseball, cheerleader, track, wrestling, soccer, music, arts. Anything that's important to you.

Friends, Pets and Vehicles

Bring your car, truck,(make sure they're washed!), best friend, sibling, dog, cat, horse. Just let us know ahead of time what you plan to bring. Animals must be constrained when not being photographed. Contact us with any questions.

People in your portrait should wear the same color clothing as you. Clothing for your pet is optional!

Additional Important Points:

GLASSES: Some glasses set on your face in such a way as to cause severe reflection glare. Check yours out ahead of time. You might need to have the lenses removed or borrow frames from your optometrist.

HAIR: It is your responsibility. We suggest that the day of your portrait is NOT the day to try a totally new hair style. If you are getting your hair cut, do it a week before the scheduled shoot.

BLEMISHES: Not to worry. Our retouching will take care of the blemishes, scratches, scars, etc.

SUNBURN: Don't even think about it. Be very careful of that last minute day in the sun or tanning bed.

There is nothing we can do for sunburn.

CLOTHES: How much to bring? Bring about six to eight outfits and we will help you make the proper selections. Please remember the suggestions on the previous page. Bring a mixture of clothing for different seasons.

NAILS: Your hands will show in some of the poses. Please clean your nails or have them nicely manicured. Natural color polish is suggested for the ladies.

TANK TOPS: Please limit tanks or sleeveless tops to less than half your outfits unless they will be covered by jackets, sweaters or long sleeve shirts. The main purpose of a portrait is to draw attention to the face. Short sleeves and tank top take away that attention.

SHOES: Dark shoes with dark clothing; lighter shoes with light clothing. Avoid white shoes for outdoor portraits unless they are so grubby they look as though they were never white. Avoid white socks or hose with dark pants or dark shoes.

MAKEUP: (for the ladies) We suggest an extra coat of mascara. Please bring your mascara, powder and lip stick with you as well as lip gloss.
